Sea / Schotia Full Day Safari – +- 15 Hours

Have a **Whale of a Time** with a full day safari by combining **Schotia Safaris' Sea Cruise and Tooth and Claw Safari**.

Guests are collected at their accommodation in Port Elizabeth or Addo areas and then taken to PE Harbour for an Ocean Safari in Algoa Bay. Enjoy some drinks and snacks while searching and viewing the large variety of marine life that Algoa Bay has to offer.

After the sea cruise, guests are provided with an awesome lunch at a local restaurant, which is followed by a short trip to Schotia Safaris Private Game Reserve. On games drives at Schotia, guests are treated to close encounters with a large variety of game species, including lion, elephant, buffalo, zebra, rhino, crocodile and many more.

The Game Drive is followed by dinner, usually a mix of safari cuisine and traditional South African cooking, which is enjoyed in our large open aired lapa and around camp fires.

Guests are then taken for a short night drive to view some of the nocturnal animals and taken back to their accommodation.
